

How to fill out the US Naval Sea Cadet Corps cadet application form.

Please fill out the attached forms for your child making sure that every blank has something in it. If the question does not apply to you, then put "N/A" in the blank.

Page one is their personal information, page 2 is for a parent's signature, and the Commanding Officer (CO) will sign here when the squadron gets your application.

Page 3 and 4 is where you fill out their medical information and then sign the form.

Page 5, have your doctor fill out this form, you can fill out the top part with their personal information. This is the physical form - you can also go to an urgent care and they can give you a sport physical and fill out this form. If you have recently had a physical, the doctor can use that recent info and fill in this form.

If they are taking medication regularly you fill out page 7 and 8, otherwise just put an "N/A" on that form.

Page 9 and 10 is if they have a medical issue and need to have special needs. If this is not the case then again put an "N/A" on that form.

The last page is for the parent to fill out if they want to help with the squadron.

Once the forms are completed, please set up a date with me for your cadet to go through an interview and if appropriate orientation and issuance of their uniforms. The following is our address:

1794 N State Road 101, Milan, IN 47031

The application fee of \$200 (check made out to USNSCC) is required when the application is dropped off. Each year afterwards the renewal fee is \$80.

Once I get your application and fees, the squadron will process them online through National Headquarters (NHQ) enrolling your child. NHQ usually takes a week to process and then I will get your ID card.

Uniform items the parents are responsible for include:

- plain (no pockets or writing) white crew neck t-shirt
- plain (no pockets or writing) dark blue crew neck t-shirt
- plain (no pockets or writing) brown crew neck t-shirt
- blue or black PT shorts
- gym shoes

Black leather shoes and boots – can be purchased at a reduced rate (~ \$20 each) through the squadron

Please let me know if you have any questions.

Very Respectfully,
Michelle Novinger
